Profile

Age : 25

Location : Cairo

Education : Bachelor's degree in business

Income level : Upper-middle class

Marital Status: Recently engaged, wedding in 3 months

Biography

Nour is deeply passionate about details and loves anything that feels personalized and customized. As she plans her wedding, she wants every aspect to reflect her personality. She is extremely meticulous about how her wedding photos and digital materials turn out, ensuring they look perfect and Instagram-worthy.

Pain points

- Most invitation designs are repetitive or generic
- Fear that customized designs might not turn out as imagined
- Limited time to finalize everything before the wedding
- Overpriced services for high-quality personalized designs

Values

- Personalization and uniqueness
- High-quality execution
- Emotional connection and memorable experiences
- Exclusivity and aesthetic appeal

A large, soft, pink abstract shape, resembling a stylized flower or a cloud, is positioned in the upper half of the frame. It has rounded, flowing edges and a light, pastel color.

Our USP

To become the definitive floral
storytelling atelier, archiving
modern love stories through the
language of flowers.
